

NEW NAME, SAME FAMILY

You may have seen a few changes around our firm, but the most noticeable one is that we've chosen a new name: Legacy Care Law Firm! While the name is different, we are still the same family who cares for our clients and their families. No matter what changes we go through now and in the future, I know for a fact that our passion will never falter. Legacy Care Law is the same DeBruyckere firm, same team, and same dedication — we just have a new name that's easier to ... [CONTINUE READING](#)

HOW DID 'MONA LISA' BECOME FAMOUS?

On Aug. 21, 1911, Vincenzo Peruggia made history and immortalized a once unnoticed painting. Leonardo Da Vinci's "Mona Lisa" was stolen long before the iconic painting was heavily secured as it is now. Peruggia and two other Italian handymen stole the now-infamous portrait from the Louvre. What ensued is one of the most internationally followed thefts of modern ... [CONTINUE READING](#)

THE ENDLESS FIGHT FOR JIMI HENDRIX'S ESTATE

We often hear about celebrities' haphazard wills (like Ike Turner and Aretha Franklin), but what happens when a celebrity passes without one? This legal catastrophe occurred when legendary guitarist Jimi Hendrix passed away at 27. The result was a long legal battle, explosive family division, and ongoing ... [CONTINUE READING](#)
