DO'S AND DON'TS FOR TRAINING PUPPIES NOT TO BITE

Puppies are adorable and entertaining family members, but training them not to bite is crucial as their teeth grow and they learn the rules of companionship. All puppies go through a nibbling phase as they discover the world around them using their mouths. The teething process won't last forever, but establishing proper training now will stick with them for a lifetime. Here are some do's and don'ts for training your puppy not to bite ... AN INSIDE LOOK AT MATTHEW PERRY'S LIVING TRUST

An estate plan is crucial for several reasons: It ensures your assets are distributed according to your wishes after you pass away and minimizes potential disputes among family members. You can also designate guardians for minor children to ensure they are cared for. Matthew Perry, well-known for his role in "Friends," proved to be one step ahead when he set up a living trust in 2009 ... [CONTINUE READING](#)
